Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response to any question in this Part III

- 1 Briefly describe the organization's mission:
Sustainable Cambodia's all-Cambodian staff works with rural families and communities to build empowerment opportunities through self-sustaining programs, including installation of wells, ponds and water catchment, safe water filtration, latrines, training in animal husbandry, self-help groups, agriculture, rice banks, health and hygiene, cash crop loans, and gardens along with enrichment education for adults and children from preschools through university, including food supplement meals for preschoolers.
- 2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
If "Yes," describe these new services on Schedule O.
- 3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O.
- 4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations and section 4947(a)(1) trusts are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 168,102 including grants of \$) (Revenue \$ 45,671)
 Expansions in our Community Development and Sustainability Programs reached 5 new villages in Bakan District for a total of 23 villages benefiting from training and comprehensive opportunities in building food security, income generation, year-round water for agriculture and livestock and clean water filtration systems for family cooking and drinking. Significant accomplishments include installation of 117 Rooftop Rainwater Harvest (RRH) water catchment tanks for village families and community primary /preschools to capture abundant rainwater during the wet season in 4,000 litre covered concrete tanks to help families survive the dry season, to free time for children (who previously walked long distances to collect contaminated pond water) to attend school & improve health. Installation of 7 wells, 10 latrines, and 7 biogas digestors improved quality of rural life. Cash crop start-up loans of \$38,304 provided 999 farmers and 4 Self-Help Groups with funds to grow crops to sell at market to increase their family incomes. Pass-on Animals with training empowered families and Self-Help Groups to build income generation and protein supplemented diets: 64 pigs, 6 cows, 2 water buffalo, 210 chickens assist the original benefitting families who then pass-on their animal offspring with training to the next families in the program. One community fishpond in Tatem village and 10 family fishponds provide year-round water and nutrition. 3 Rice Banks, 140 home gardens with agricultural trainings for 1,471 people and 19 Self-Help Groups help to sustain food security.

4b (Code:) (Expenses \$ 205,670 including grants of \$) (Revenue \$)
 Outreach Education programs begun in 2010 expanded in 2011 through building 6 new rural community primary / preschools that offer the only opportunity for education for children who cannot reach distant Cambodian state schools. The ongoing preschool food supplement program will expand to support Bakan district children ages 3-7 with daily hot porridge made by village mothers. In 2011, Sustainable Cambodia took over the management and funding of the KBFC school in Kravanh District. This school offers the same enrichment programs as our main grade school: English, Math, Khmer Language, Computers, workshops in human and child rights, health and hygiene, library, special activities including field study trips, Youth Club, art & music. During the school week, 25 KBFC students from remote villages stay in our school dormitory where they tend their garden, prepare meals & help each other in studies. Students receive school supplies, school uniforms, tutor classes. Children in Difficult Circumstances (CIDC) receive special funding assistance to help with daily meals and other needs. As of 2011, more than 117 scholars are currently enrolled in Cambodian universities or have graduated to start successful work lives. In all, approximately 1200 children are now attending small, interactive classes led by caring teachers who also benefit from teacher training workshops and international volunteer support.

4c (Code:) (Expenses \$ 31,633 including grants of \$) (Revenue \$)
 In 2011 the Healthcare Program continued to provide daily nutritious food supplement meals in 9 remote preschools for 258 children whose health and growth are professionally evaluated by tracking their Body Mass Index (BMI) . Through Rotary grants, major health and hygiene education continued to focus on thorough hand-washing, nail clipping, tooth brushing and good diets. Mother-to-Mother Training focused on the benefits of breast-feeding and best practices for healthy children. Supplying First Aid Kits and continuing training in emergency first aid empowered community families in taking care of each other. Community workshops helped to reinforce caution and need to filter water to eliminate the loss of life for infants from severe diarrhea and dehydration. Helping families to identify and prevent diseases rampant in the countryside (like malaria) became urgent in 2012 with the arrival of the "mysterious" diseases that quickly took the lives of many children under the age of 3. The foundation of healthcare workshops and long time relationships with village families helped Sustainable Cambodia staff to intervene during this emergency to guide and support families of sick children in reaching state hospitals quickly to diagnose and treat the threatening "mysterious" illness that has now been identified as a combination of pathogens, including Enterovirus 71, streptococcus (from pigs/ pork products) and dengue fever (from mosquitos). In all, although our healthcare education program is small, the outcomes benefit and save lives.

4d Other program services (Describe in Schedule O.)
