Sustainable Cambodia is a nonprofit organization working to help the residents of Cambodian villages create a sustainable quality of life. We do not simply give aid to the villagers. Instead, we help them build wells, irrigation systems and schools, and train them in agriculture and vocations, empowering and enabling them to create positive and measurable change in their villages. Sustainable Cambodia is registered in Cambodia as an NGO and in the USA as a 501(c)(3) tax-exempt charitable organization. Please visit our website at www.SustainableCambodia.org.
